Purpose

This web page provides information to faculty, students, and staff members at California State University, East Bay on procedures in the event of various emergencies or disasters at the campus. Questions should be addressed to the University Police Department.

Emergency Personnel

At the CSU, East Bay, the following personnel manage during an emergency situation:

A. Emergency Operations Executive

The Vice President, Administration and Finance acts as the primary Emergency Operations Executive. All emergency personnel coordinate their efforts through the E.O.

Be calm. Identify yourself, location of the incident, your location and telephone number;

Describe the incident to the University Police dispatcher with as much specific detail as possible;

Remain on the line until the dispatcher has obtained all necessary information from you, and has given you instructions. Let the dispatcher hang up first.

Emergency Assembly Area

Each building at CSU, East Bay has its own designated emergency assembly area http://www.aba.csueastbay.edu/EHS/pdfs/CSUHevacuationmap1.pdf.

Look to Building Safety Assistants (BSA's wear yellow helmets and orange vests) or other emergency personnel for guidance to the assembly area. BSA list is located at http://www.aba.csueastbay.edu/EHS/bsa.htm

For emergencies that affect more than one building, the primary University Assembly Area is the Amphitheater located between the Arts/Education Building and Robinson Hall. The alternate University Assembly Area is the stadium.

Handicapped/Disabled

Whenever there is a building evacuation, we must be aware of the potential needs of those who are disabled. The following information will alert you to the concerns of the disabled.

- ° Permanently disabled persons should prepare for emergencies ahead of time by instructing a classmate, instructor or fellow staff member on how to assist them in case of emergencies;
- °Visually Impaired/Blind. Offer your elbow to these persons, and guide them to a safe area. Make sure that they are fully informed of the situation, and what they are to do;
- Observe the mean of the mea

Fire Evacuation Procedures

Upon observation of a fire:

- Move away from the immediate area. Close doors and windows if time permits.
- Pull fire alarm as you leave the area
- Before opening a closed door, touch it first. Do not open a door that is hot to the touch.
- Use stairs to evacuate, do not use elevators.
- Move well away from the building when evacuating.
- Assist any handicapped or disabled persons.

Fire Alarms
