EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guarantee Association if:

Their insurer was not authorized to do business in this state when it issued the policy or contract;

Their policy was issued by a health care service plan (HMO, Blue Cross, Blue Shield), a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;

They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;

Employer or association plans, to the extent they are self-funded or uninsured;

Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

Any policy of reinsurance unless an assumption certificate was issued;

Interest rate yields that exceed an average rate;

Any portion of a contract that provides dividends or experience rating credits.

LIMITS ON AMOUNT OF COVERAGE

The Act limits the Association to pay benefits as follows:

LIFE AND ANNUITY BENEFITS

80% of what the insurance company would owe under a policy or contract up to \$100,000 in cash surrender values,

\$100,000 in present value of annuities, or

\$250,000 in life insurance death benefits.

A maximum of \$250,000 for any one insured life no matter how many policies and contracts there were with the same company, even if the policies provided different types of coverages.

HEALTH BENEFITS

A maximum of \$200,000 of the contractual obligations that the health insurance company would owe were it not insolvent. The maximum may increase or decrease annually based upon changes in the health care cost component of the consumer price index.

PREMIUM SURCHARGE

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for health insurance policies to which the Act applies.
